

Who We Are

Reaching Across Ministries (RAM) is a 501 c3 non-profit religious corporation that started in 1996 taking short term mission groups to assist churches along the US / Mexico border.

Later, in 2006, it became primarily a ministry providing discipleship training for pastors that have not attended a Bible school, pastoring established churches with less than 100 members.

RAM also seeks to encourage mission sending churches to assist these pastors by providing logistical information for short term mission projects.

How to get started ?

Contact RAM for a meeting to review all available opportunities and to see how these can be tailored to meet the goals of the sending organization. The meeting will provide an opportunity to exchange ideas as to how these projects will best edify the church with the goal of “making disciples” as well as create a spiritual transformation for the participants.
